

2013 Japanese Garden Intensive Seminar

Written by Maureen T. O'Brien

Saturday, 12 January 2013 20:29 - Last Updated Saturday, 12 January 2013 20:30

Many of our members have benefited greatly from foreign travel and seminars. One such seminar is the Intensive *The Japanese Garden* in Kyoto Japan. This two week program is divided between site visits and lectures, including sties not usually open to the public. For further information download the brochure here:
